Carnival Guest Service Gratuities Update

Dear Guest,

Effective with all cruises departing on or after December 1, 2018, the recommended onboard gratuities will be as follows:

- : Standard staterooms: \$13.99, per person, per day
- : Suites: \$15.99, per person, per day

The recommended gratuities are automatically added to your onboard Sail & Sign account as a convenience. However, while on board, you are free to adjust gratuities at your discretion. No adjustments will be made after the cruise.

Should you wish to pre-pay your gratuities at the current rate (\$12.95 per person, per day for standard staterooms and \$13.95 per person, per day for suites) you may do so by contacting your travel professional by **November 30, 2018**.

100% of the gratuities go toward our shipboard team members. They work hard to provide exceptional and friendly service, so we hope you will agree that this minor increase is well deserved.

We welcome our guests showing appreciation for the crew's efforts and the entire team looks forward to have you aboard for a fun and memorable cruise!

Sincerely,

Richard Morse
